Release Statement: I certify that the above-named child has permission to participate in the Kilmer Enrichment Program. Enrichment Class Policies:

Classes meet once or twice per week. Class times are listed in the descriptions. Please review the class dates before registering for a class. Please read the class descriptions to gain an understanding of what the students will be doing. We will do our best to ensure each student receives his/her request. However, all classes have a minimum and maximum enrollment. If the minimum number is not met, a class may be cancelled. If a class is cancelled your payment will be returned to you. If requests exceed the maximum number, we will contact those who were not selected ASAP. If a student withdraws prior to one week before the first class, only the cost of supplies (if any) will be refunded; otherwise, there will be no refunds or withdrawals.

Pick up is at the front doors of the school. If you arrive early, please wait in your car until the teacher opens the door. You will need to sign your child out once the teacher opens the doors. If your child attends the YMCA program, the instructor will escort them to their location at the conclusion of class.

If your child's pick-up person is late more than two times, we reserve the right to cancel the child's participation in the program, with NO refund.

Students are to follow school rules at all times. If their behavior is interfering with class instruction, they may be dismissed from the program with NO refund.

By my signature, I hereby acknowledge reading and understanding the implications of the release statement. I also agree to comply with the policies and guidelines stated above.
