

YEARBOOK APPLICATION 2022-23
Applications must be attached to the registration form

COURSE DESCRIPTION: Yearbook students plan, design, take and edit photos, and use an online design program to create the LPMS Yearbook, write captions, conduct interviews, and compose stories. Members will create and organize pages and meet strict yearbook publishing deadlines. This will also be considered a Journalism class. **This class also requires some before; during and after school (evening activities) later commitments may require planning transportation to and from school (not provided by school or yearbook staff).**

Student Name: _____

Current ELA/Language Arts Grade: _____

Have you ever used Adobe Photoshop or any other photo editing software before? _____

(It is strongly recommended that short answers are typed and stapled to this sheet)

Describe your experience with photography, layout & design in the space below.

What extracurricular activities do you expect to be involved in next year?

Why do you want to be a part of next year's yearbook staff?

Describe the ways you would be a positive benefit or influence on our yearbook staff (What are your strengths?)

Please submit a Sutori or Slides 12 photo storyboard sample. The topic can be about anything that interests you (classes, hobbies, sports, etc.) Email this to Mr. Russell at drussell2@lewispalmer.org

I understand that being on the yearbook staff takes tremendous commitment, effort, dedication, and time. I understand that there may be times that I have to stay after school or come in before school to take pictures and meet my deadlines. I also understand that it is my responsibility to take pictures for my assigned pages. I will also be willing to help other staff members when needed.
