Two-hour delay. For designated “delay start” days, and may also be called due to weather-related issues. Buses will run normal routes with a two-hour delay stop schedule, and all schools will open two hours later. Morning half-day kindergarten students and morning preschool students will begin class two hours later than the normal start time and will still dismiss at the normal dismissal time. Students enrolled in the preschool wrap program may be dropped off beginning at 9:00 am.

Definitions

WRAP. Designation for childcare for preschool students who are enrolled in this service.

PLC: Professional Learning Community. This is designated for teachers, and is a time for them to collaborate across grade levels or departmental lines on curriculum and assessment issues.

K-6 PLC/Assessment Day. Elementary students will report at times assigned by the school. No elementary bus transportation provided. Kindergarten schedules will be decided by individual schools.

K-12 Delay start/PLC. Follows the typical two-hour delay schedule for K-12 students, allowing PLC time for teachers before school begins. Does not apply to morning preschool or preK students.

Alternative make-up day. Scheduled for students to be off; however, depending on the use of snow days and unanticipated events, these may be re-classified as student contact days. This may be necessary to comply with State educational attendance requirements.

Please take this into consideration when planning family events.

District Closed. The District is closed for business and no employees are typically on duty.
