

# How to Sign up for a Parent Account

Parents can sign up as an observer in Canvas. Observers of a student's account will see assignment due dates, announcements, and other course content. Observers can view the course content, but cannot participate in the course.

## 1. A student can generate a Pairing Code from their Canvas Account Settings

2. Once a code has been obtained, the parent will go to [lewispalmer.instructure.com](http://lewispalmer.instructure.com) and sign up for an account.
