Dear Prospective Student and Family,

Thank you for your interest in Lewis-Palmer High School. In addition to our Pillars of Excellence (Character, Leadership, School Involvement, and Service to Community), when people ask me what makes LPHS special, I can easily speak to our academic programming, excellent extra-curricular opportunities, and a culture and tradition of a “family like” environment. In this packet you will find examples of the multiple pathways (AP courses, Project Lead the Way engineering and biomedical programs, Concurrent and Dual enrollment options, online and work based learning programs). We also offer several academic and transition support programs such as Ranger Round-Up, LINK, math everyday, and integrated English and social studies courses.

LPHS also has a rich tradition of success in extra-curricular programs. Our athletic programs (24 sports, 651 participants) have won multiple state championships most recently in Volleyball, Basketball and Soccer. Our performing arts programs (Theater, Band and Choir) annually win several local and state recognition awards. Students also have ample opportunities to join any of our 33 different clubs. We offer anything from the fun Lumberjacks who meet every Friday morning to eat pancakes to co-curricular offerings of DECA, HOSA, and Cyber-Patriots to the service oriented Key Club and Recycle Club.

Lastly, and most importantly, the LPHS community prides ourselves on providing an experience that feels like a family. We work hard to make sure that all students and staff feel connected and have the opportunity to thrive in a positive culture. Even after just one visit, people often remark that LPHS, “Just feels welcoming.” We hope you feel that way too.

Please visit our website, [www.lewispalmer.org](http://www.lewispalmer.org), for many more facts and specific activities that are available for you to participate in as a student at Lewis-Palmer High School. Registration at our district office is the first step if you decide to become an LPHS Ranger. Jim Taylor is the district registrar, and he can be reached at 719-488-4701 for more information about the registration process.

Please contact my secretary, Ms. Amanda Verrie, at 719-488-6186, if you should have any additional questions.

We look forward to hearing from you and hope to see you soon.  
Sincerely,

Bridget O'Connor  
Lewis-Palmer High School Principal
