

Application, Policies and Procedures for Free Range Bears

(2019-2020)

To be eligible to be a Free Range Bear (FRB), you must have a cumulative GPA of 3.50 (or higher) after completing at least one full semester at PRHS. FRBs will utilize the booths and tables right before the bridge. Notice that your assigned area is the first thing visitors see as they enter the building; please, keep your area neat and your behavior appropriate.

Since you get credit for your FRB study hall, you must be accounted for. Please sign in with the campus supervisor in the security office at the beginning of your period. If you need to leave your assigned area at any time during your class, pick up a pass from the campus supervisor in the security office. Periodically, you may be asked to join a regular study hall for instructional or informational purposes. **FRBs are assigned to first lunch. (PERIODS 3 AND 7 ONLY)** If you need a snack, please bring it with you. You may not run down to the cafeteria during second lunch or order food from an outside vendor to be delivered to you.

Remember that your class period as a FRB is meant to be a study hall and used as academic time. You are free to choose your activities during this time, and you may access your IPOD or other electronic devices for music. However, you may not use your phones for texting, gaming, or having a conversation. Your area is part of the school's academic area and phone use is not permitted. If there is a compelling reason to use your phone, step into the front office and ask a campus supervisor for permission.

FRB status is a privilege recognizing your academic performance and requires a high degree of motivation, self-responsibility and self-discipline. If you find you are not using the time as effectively as you need, you may request to be moved to regular study hall by seeing your counselor. In addition, failure to act appropriately and follow the procedures while a FRB will result in consequences and possibly the loss of the FRB privilege. Your FRB status will be reviewed after every semester for continued eligibility.

Please sign this page to indicate that you have read the policies and procedures and understand them. Also provide and discuss them with your parents and ask them to sign where indicated. **You must bring this completed form back to Dr. Numedahl (Assistant Principal, Neighborhood D) NOT LATER THAN September 4th.** You may not switch to a Free Range Bear until you see it has been changed in your schedule.
