YMCA CHILD CARE & DISTRICT 38

TRADITIONAL DAY CAMP

Traditional Day Camps offer enriching activities where friends are made through group games, sports & fitness, hands-on science, arts & crafts, music, and swimming. All activities are based on the weekly camp theme.

BEFORE & AFTER SCHOOL CARE

Children absorb knowledge, skills and values from everything and everyone around them. At the Y, we believe time well spent in a fun, safe and supportive environment before and after school is a primary building block for quality of life and future success of children. Children feel connected at the Y where they can make friends and learn how to be their best with the Y's values of caring, honesty, respect and responsibility. We promote positive self-esteem, life skills, teamwork, leadership, creativity and educational support.
