

Electronic Flyers Coming Soon!

Lewis-Palmer School District #38 is launching a new communication tool called “Peachjar.” District/School-approved flyers will be sent to your email and posted on school websites. Simply click on the flyers you receive via email or click the peachjar button on your school’s homepage.

This “green” initiative will save our district paper, and reduce our copy costs by thousands of dollars. In addition, posting school flyers in this electronic backpack removes a significant administrative burden from teachers, office staff, and volunteers.

*As a service to families in our community, Lewis-Palmer School District #38 publishes flyers for activities, classes, services, and enrichment opportunities. **The district does not endorse any listings that are not district-sponsored programs.** This EFlyer system is used exclusively for distribution of district/school-approved flyers. Your email address will not be shared or used for any other purpose. Thank you for supporting our efforts to ensure parents are well informed about school programs, activities, and events.*
