### **Attention 2019 Parents of Summer School Students**

Attached is the Summer School 2019 registration information. Summer School registration is now available!

Information regarding the session your student will be attending will be determined by Friday, May 21, 2019. Summer school will begin on Monday, June 3, 2019. There will be two sessions: one beginning at 7:30 a.m. and the next session beginning at 10:30 a.m. Since registration forms are being processed, there is a slight delay on getting information and session times to parents and students. Information on session times will go out to parents and students by May 31<sup>st</sup>.

Once the session is determined, information regarding report times along with general guidelines will be sent out. ALL students who registered are required to attend summer school, regardless if they are in a teacher instructed course or online course.
