**Back to School Night Teacher Videos**

Palmer Ridge teachers have recorded videos containing the information that would normally be presented at Back to School Night. You can access these videos by going to the Academics page on the PRHS website: <https://www.lewispalmer.org/site/Default.aspx?PageType=1&SiteID=9&ChannelID=4364&DirectoryType=6>

Once there, click on the department you want to view and find the teacher on the left hand side of the page. Many videos are posted there. If you do not see the video on the teacher's home page, scroll down and click on the Canvas Login page with your student's login information. This is also a great way to see how your student logs into classes on their distance learning days. Ask your student how to login and find the video there. Of course, please do not hesitate to reach out to teachers for further information or to introduce yourself.
