

Junior Seminar Make-ups

ATTENTION JUNIORS!

As a school, we are having an important meeting with juniors to go over information regarding postsecondary options. We will also cover Individual Career and Academic Plan (ICAP) information, including Practice SAT results. Please read the attached parent letter for more information.

All juniors are required to attend school and report to the Auditorium during their Assess/Advise/ICAP Period on Tuesday, November 13th or Wednesday, November 14th to discuss their Practice SAT results along with their junior ICAP lesson. These dates are regular school days with the Assessment period being utilized to not interrupt regular classroom instruction. Attendance is mandatory and will be taken at the beginning of each period. Please reference page 9 of the student handbook regarding the use of the Assess/Advise/ICAP period for occasional class periods. Students are expected to be in the auditorium on time.

All students will be given a packet of College and Career Information to share with their families.

Please see the scheduled times listed below:

1st Period Assessment/Off – Instruction will start at 7:40

4th Period Assessment/Off – Instruction will start at 1:18

5th Period Assessment/Off – Instruction will start at 7:40

8th Period Assessment/Off – Instruction will start at 1:18

Thank you,

PRHS Counseling Department

Junior Seminar Make-ups: November 13th and 14th

Dear Parents/Guardians of Juniors,

It is such an exciting time for your students! They have successfully started their junior year and are now considered “*Upper Classmen.*” As counselors, we recognize a change in them! They are becoming more adult-like and beginning to advocate more for themselves! We encourage you to continue to give your students opportunities to self-advocate and be proactive with their education, decisions, and thoughts. With post-secondary decisions right around the corner, we want all of them to be prepared!

On November 13th and 14th, the Palmer Ridge Counselors will be talking to your junior about various post-secondary options, financial aid, scholarships, Practice SAT results, NCAA, and the importance of the junior year. We call this talk, “Junior Seminar.” Juniors will be required to attend Junior Seminar during their scheduled off period. Attendance will be taken for this mandatory information session. Please know that we will be going over a lot of information, and they will be bringing it all home. We would like to encourage you to talk with your student about the information they bring home. If you are interested in meeting with your student and counselor after Junior Seminar, please call and schedule an appointment.

In addition to the Junior Seminar, Counselors will spend the second semester meeting individually with all juniors. We want to make sure that each junior is well prepared for their senior year.

Hold on, Parents, the next two years are going to fly! We are here to help!

PRHS Counselors,

Taylor Kinney, Last Names A-D
Lindsey Eason, Last Names E-K
Stephanie Kugler, Last Names L-Rh
Gwen Brahler, Last Names Ri-Z
