PRHS Student Mentor Opportunity - A Few Openings Remain

Your freshman student has seen about a month of high school now, and that transition can be challenging. Getting off to a good start is critical to student happiness and success. To help that transition, PRHS offers the Palmer Ridge Student Mentor Program (PRSM). PRSM is primarily for incoming freshmen. PRSM is different from traditional new student orientation or group sponsorship programs. It is designed to pair a PR freshman with a successful PR upperclassman-guide in a dedicated, 1-1 relationship for the school year. Our student-guides are hand-picked by staff, have received mentorship training, and can provide a range of 1-1 peer support tailored to your student: academic tutoring, school/study advice, getting organized/focused, goal setting, helping to fit it/develop confidence, being a positive role model, or just being there after a tough day. Great peer mentors/role models are one of the most effective - but least employed - resources in schools, and research has identified many positive outcomes to peer mentoring (see below insert).

We have a few mentors still available. If you and your student wish to take advantage of the strong PR peer support network offered by the PRSM program, please contact Bill Brady at: wbrady@lewispalmer.org for more information.

PRHS FUNDRAISERS!

PRHS DANCE TEAM hosting

Car Wash

WHEN:  Saturday, September 18, 2021
WHERE:  Northgate Car Wash
