

## **Palmer Ridge High School**

**August 16, 2022**

### **CHANGE TO THE MORNING DROP-OFF PROCEDURE**

Thank you to all who used the drop-off lane this morning. We did notice that the drop-off line was quite long in the upper parking lot. Therefore, we would like to implement a new approach beginning tomorrow morning.

If you are dropping off your student at school each morning, we ask that you pull up all the way in the front of the school as shown in the attached map. Use the lane closest to the curb and have your student exit the car quickly to keep the traffic flowing. Please do not block the crosswalk. We will have school personnel out front tomorrow morning to assist with this new change. This is **ONLY** for morning drop-offs.

Thank you for your cooperation.

# The **UPDATED** Morning **DROP-OFF ONLY** Routine

*Please do not block the crosswalk.*
