Dear Class of 2021 Member,

Now is the time to start thinking about your senior portraits! This exciting process will be made easier by shopping around with the local senior photographer brochures included in this packet. Although not required, your support of these photographers (listed on the next page) benefits the Palmer Ridge yearbook program as well as local business owners. If you do not use a professional for your senior photo, make sure a DSLR camera is used – we have found that photos taken with phones are not of the quality we need for the yearbook.

Please contact your chosen photographer to set up an appointment soon, as these photographers are very busy during the summer months as you might imagine. Make sure that you arrange a date far enough in advance to meet our **October 31st deadline** for submission of your portrait for the yearbook. Please make sure that the studio you select is aware of this deadline as well! If you have further questions regarding senior photos, please contact yearbook adviser Tom Patrick at tpatrick@lewispalmer.org or at 719.867.8132.

Once your decision on a photographer is made, the following information will help you and your selected portrait studio get your senior portrait into the yearbook. If the submitted photo requirements are not followed, your senior portrait may not be included in the yearbook.

PRHS Class of 2021 Senior Portrait Specifications and Requirements:

- ✓ The photo **MUST** be in color and must be a “portrait” orientation shot, waist up, ***focus on head and shoulders***.
- ✓ All senior portraits must adhere to the PRHS student dress code (see the student handbook on the PRHS website) or it will not be accepted for the yearbook.
- ✓ **No Props!** This includes footballs, cars, hats, sunglasses, flowers, etc.
- ✓ The photos must be at least **300 dpi** — if you are using a studio, they will take care of this; if you are not using a studio, please make sure your photo is at least **300 dpi** or it won't be accepted. Note: as printed in the yearbook, photos are approx. 2" x 3." File size of properly formatted high-resolution images is approx. 500kb - 1MB.
- ✓ For those of you not using a professional photographer, please arrange to have a photo meeting the above requirements taken by a friend or family member - registration pictures will NOT be used in the yearbook.
- ✓ **Submit digital photos (.jpg please) online (with a computer, NOT a phone!) at www.hjeshare.com and login with school code 16034. File names should be last name_first name.jpg (sample = bear_betty.jpg)**

Reese, you have grown into an amazing person. Some thoughts for your future:
Smile even when you don't feel like it.
Seek contentedness with yourself.
Love with all of your heart.
Be a good financial planner.
Know that life on this Earth is temporary.
Be confident that God is with you every step of the way.
I love you,
Mom

Reese,
As parents, we spend a lot of time thinking about what we need to do to help our children grow and succeed. Sometimes we forget about the tremendous blessing we have received. You lift my spirit constantly and I am thankful every day.
Love you,
Dad
