Students can register now through the end of the week! The students can log in any time during the week and get information from many colleges. There is a question and answer section for the students to get answers directly from college reps during the week. The students must go to www.collegefaironline.com to the students tab to register ASAP. This service is completely free and we would love to have your school and students join. Please have your students register as soon as possible if they would like to participate. This is a great virtual resource. Please let me know if you have any questions or need anything. **Every student that registers is entered to win a \$300 scholarship.**
