GRADES 7-12 E-LEARNING DAY

Friday, October 7, 2022

Students do not come to school on scheduled E-learning days. However, E-learning days are considered Bear Crunch days and students will need to login into their Canvas accounts for all of their classes to review work in their classes but no new learning will take place. This is a great opportunity for students to get caught up and stay ahead of the game.

Classes resume with a navy day on Monday, October 10, 2022!

PK-12 NO CLASSES

Friday, October 14, 2022 or Monday, October 17, 2022

Classes resume with a navy day on Tuesday, October 18, 2022!

STUDENT SWEEPERS NEEDED

Our district has several openings for student sweepers for this school year. A student sweeper is actually a paid member of the custodial team that assists the custodial staff every evening for about 3 hours. Student sweepers are typically high school students from PR or LP. If you are 16 or older and interested, you can apply for this position on our district website under Human Resources,

Here is a link to apply: [Student Worker Jobs](#).
