Palmer Ridge Graduation Orders – DEADLINE
Sunday, November 1, 2020 by Midnight

This year, more than ever before, it is critical to place your graduation order during this SENIOR ORDER period. Last spring, COVID-19 took away so much from so many – prom, spring sports, school activities, and more – but the one thing that it couldn't steal was Graduation!

IF you missed placing your order at school, then we encourage you to take care of it ASAP. There are 3 ways to place your order:

1. Order ONLINE @ www.jostens.com – this is the easiest way to place your order. Enter your school name and click on the Graduation tile.
2. Order over the PHONE at 3030-985-0095. This is the best option if you prefer to place your order with just a deposit. We also have Spanish speakers available.
3. MAIL your order to us – the order form can be found in the packet you received. If you need a packet, there are some available in the PRHS front office.

You can also click on this link for Graduation info:
