Junior Opportunities!

CU Boulder Outstanding Colorado Student Award -

We know of a great scholarship opportunity for the University of Colorado at Boulder. If you have a huge desire to attend CU-Boulder, please talk with your school counselor about this opportunity! **The deadline is March 4th!**

- Students selected for this award should exemplify academic excellence, leadership and community service.
- A minimum cumulative grade point average of 3.7 (weighted or unweighted) is required for award selection.
- One student from each Colorado high school may be selected. Multiple nominations will not be accepted.
- Student must be a junior in the 2019-2020 academic year

Girls State-

June 7-12th at the University of Northern Colorado

This is a leadership program centered on the processes of democracy and good citizenship.

You will develop a broader knowledge of our two- party system

You will instill greater understanding of American Traditions

Stimulate desire to participate and maintain our democratic government

Be exposed to a college atmosphere and encourage a desire for higher education

If you are interested in applying, please visit www.alacolorado.com for additional information.

Applications due April 1st. See Mrs. Kinney in neighborhood B if you have questions.

Boys State-

May 30-June 4th at the University of Colorado at Colorado Springs

Simulate and emulate a Colorado State Government through a fun and engaging program. You will help build your very own government from the ground up... cities, counties, political parties, a legislature and even elect a Governor. You will be guided with tools and resources by actual elected officials and business leaders. Then it is up to you to make your system of government work!

If you are interested in applying, please visit www.colegionboysstate.org for the application. Applications due May 1st. See Mrs. Kinney in neighborhood B if you have questions.

2020 Mines Medal of Achievement-

We know of a great scholarship opportunity for the Colorado School of Mines. If you have a huge desire to attend Mines, please talk with your school counselor about this opportunity! The deadline is March 9th. If you apply and are admitted and decide to attend Colorado School of Mines, she/he will also be awarded a one-time \$1,000 scholarship for one year. Attendance at Mines is not necessary to receive the recognition and the certificate, but the scholarship may only be used at our institution.

- Students currently in their junior year of high school
- Strong abilities and achievements in mathematics and sciences
- U.S. citizen or permanent resident (Green Card)
