REMINDER! DROPPING OFF OR PICKING UP STUDENTS

We would respectfully continue to ask that parents who drop students off before or pick up after school do so carefully. We have many students and staff members walking through the parking lot before and after school. It is crucial that parents use the drop-off/pick-up lane before and after school in the upper parking lot. The parking lot is **NOT** a designated drop off or pick-up zone. Parents who prefer to use the parking lot instead of the drop off lane are asked to **park in the lot in the painted parking spaces** while they are waiting for their student.

We are also having an issue with cars blocking the handicapped parking spaces in the main lot which doesn't allow access or departure from these spots. These handicapped spaces are utilized every day.

Please be aware that the **only** lane in the upper parking to pick-up and drop-off students is the lane closest to the curb. The two inside lanes are to be used once a student has been picked-up/dropped-off. These are NOT meant for student pick-up/drop offs and should NEVER be blocked!

Thank you and we appreciate your cooperation and effort to ensure our parking lots stay safe for our students, staff and community.
