PRHS UPDATED POLICY REGARDING MAKE UP TESTS/QUIZZES

In an effort to assist our students continued success, we would like to communicate with you an UPDATED policy regarding students making up tests/quizzes when students are called in for an excused absence. This new policy will go into effect beginning Monday, October 15, 2018. Please note the change below.

Should a student have an excused absence(s), the student has four school days to make up any missed tests and quizzes. Students are not required to take the test before the absence unless they have communicated to the teacher and choose to take the test/quiz early. If there are extenuating circumstances beyond the four day window, the student must communicate with the teacher in advance to make arrangements for tests and/or quizzes.
