**Attention Juniors**

**SAT Essay Student Registration**  
**January 15 - February 12**  
**Students MUST register in advance to take the optional SAT Essay**

When taking the Colorado school day SAT this spring, 11th-grade students will have the **option** of taking the SAT with or without the optional essay. Adding the essay to their SAT registration is a student choice.

*The default registration for all students is the SAT without essay.*

The essay registration window is January 15 - February 12, 2019. **This will be the only opportunity for students who wish to take the optional essay to add it to their April school day test registration.** Students may add the essay to their registration through their online College Board account or by calling the College Board.

\* The SAT Essay is scored separately from the SAT. A student's score on the essay will not improve or reduce their score on the SAT.

\* The essay may be required by some colleges and universities. To find out a particular school's essay policies go to:

\* Flyer for students on how to register for the optional SAT Essay is posted in English and in Spanish on the College Board.org/Colorado website under the For Students and Parents section
