STILL NEED A SENIOR GIFT COMMITTEE ADVISER

Palmer Ridge is still looking for a senior parent who is willing to lead the 2022-2023 Senior Gift Committee. The committee is a group of 5-6 seniors who are led by a parent volunteer to implement the annual legacy gift from this year's graduating seniors. Duties include meeting with students for input, planning, and fundraising. Examples of past legacy gifts include a graduation banner for the library, crest for the front of the academic building, picnic tables, and a trophy case. Please contact our receptionist, Kelly Atnip, if interested or if you have any questions. Thank you for your consideration.
