ATTENTION SOPHOMORES!

Hello,

As part of your 10th-grade year, you are encouraged to complete your personal finance graduation competency through the study hall. We know many of you are not enrolled in a study hall this year due to online school or homeschool so we are emailing you the login information that was sent out to all 10th grades in study hall so that way you can get started on your personal finance credit as well.

The goal is to complete this by the end of the semester. If you do not complete the online modules through Everfi you will need to take the actual personal finance class in your junior or senior year. So this is a great way to get this credit out of the way for graduation.

Here is the login information:

Everfi.net
Code: 0836bbc7

If you have any questions, please see your counselor or Mrs. Lopez.
