

LPHS Poms Tryouts Checklist:

Review the packet with your parents! It is important that they understand the time commitment and fees required to be on the LPHS Poms Team before you audition. Have parents sign the bottom of the "Team Application" form - this is required!

Attend the tryout clinic on April 26-29.. We will be in the LPHS big gym. The clinic starts at 3:30 each day. We will end at 6:00pm and on the last day at 5:30pm. (If there are any school closures on clinic days, we will post on the LPHS Poms school web page information regarding make-up days.)

Once you are finished with your own audition on the last day, you may leave.

Send the entire completed tryout packet to Lewis-Palmer High School by April. 22, attn: LPHS Poms Coach. Staple all the pages together to avoid missing pages.

Also on the first day of tryouts, bring a printout/copy of your most recent (January 2022) report card or a transcript to show that your GPA is above 2.0. Students with two or more Fs on current grades are ineligible to audition at this time.

Wear proper dance clothing (tshirt and shorts are best; no spaghetti straps, no crop tops, no bare midriff). No jewelry!

Wear proper dance footwear, like jazzshoes or toe paws (no dancing in just socks or bare feet; flexible tennis shoes are okay).

Hair must be in a pony tail, braid, or bun with atl long bangs clipped away from face.

After you are assigned an audition number on the first day of the tryout clinic, pin it to your shirt every day of the clinic that follows.
