

2018-19 Yearbook Order Form

With the end of the year quickly approaching, it is time again to order yearbooks. Every grade has a yearbook available for order. Having a book for each grade enables us to put more pictures of individual class activities and events, which will make a great memory book for your child! It is an 8x8, 30-page, soft-cover (40 page, hard-cover for 6th grade) book. It includes a class photo and individual student photos at the beginning of the book, and an autograph page at the back of the book so your student can get signatures from their teachers and friends on the last day of school. Some examples of the pages in-between will include classroom activities, field trips, Crazy Coyote, Fall Festival, Winter Festival, and much more. The prices of the yearbooks are **\$15 for Pre-school-5th grade**, and **\$25 for 6th grade**. To order, please send the bottom of this form in to the school with your child by Friday, **April 26th**. Please select the number of books you need for each grade and send cash or a check (payable to Kilmer PTO) along with your order form. If you need a past yearbook, please make note of that below as well, stating the grade at the time, and the year, along with the name (prices are the same). Sample pictures are included below:
