“One Team – Our Team”

Student Fees for the 2020-2021 School Year

Student fees are used to help cover the costs of consumable materials, reconditioning, and rentals. They also cover the additional costs associated with secondary athletics, music, and intramural sports programs.

Students are assessed fees based on grade level as well as on courses in which they enroll and extracurricular programs in which they participate. All fees are mandatory, and failure to pay the required fee may result in exclusion of the student from participation. Students who qualify for free or reduced lunch are eligible for a waiver. Other students, in unique circumstances, may also receive a reduction or waiver of fees. To apply for a waiver, please contact your student’s principal. Examples of fees for the 2020-2021 school year:
