

Student Use of LPSD Technology Resources, the Internet,  
and Communication Systems  
(Network and Technology Equipment User Agreement)

***Please complete one form per student***

**LPSD Technology Resources, the Internet, and Communication Systems**

As the parent or guardian of the student, I have read the district's policy on Student Use of LPSD Technology Resources, the Internet and Communication Systems (Policy JS) and understand that access to the internet and technology resources such as Google applications, Canvas, and district approved textbook resources and other approved digital content and applications are designed for educational purposes. The district has taken reasonable steps to block and/or filter material that is obscene, child pornography, or otherwise harmful to minors, as defined by the Board of Education. I also recognize that it is impossible for the school district to prevent access to all materials or information I might find harmful or controversial and I agree to not hold the district responsible for any such materials accessed by my child.

I hereby release the school district from all costs, claims, damages or losses resulting from my child's use of the internet, electronic communication systems, and applications, including but not limited to any user fees or charges incurred through the purchase of goods or services.

I hereby acknowledge I have reviewed with my student the district's policy on Student Use of LPSD Technology resources, the Internet, and Electronic Communication Systems. My student has read, understands, and will abide by the district policy. I understand that should my student commit any violation or in any way misuse technology devices or the internet and electronic communications they may have access privileges revoked and disciplinary and/or legal action may be taken.

If the parent wishes to opt out of a specific platform/program the parent should communicate this to the school principal in writing.

*Your signature on this User Agreement is binding and indicates you have read the school district's policy on Student Use of LPSD Technology Resources, the Internet, and Electronic Communication Systems and understand its significance.*
