Meal Modification Requests

August 1, 2017

Dear Parent/Guardian:

Your child's school/site:

1. Will make meal modifications prescribed by a licensed physician, advanced practice nurse with prescriptive authority or physician assistant to accommodate a disability.
2. We do not make substitutions for dietary preferences, religious preferences, or cultural preferences since there are three or more menu choices offered daily.

Note: Meal modifications will only be accommodated for one of the reasons listed above. No other meal modifications will be accommodated.

The *Medical Statement for Meal Modification and Dietary Preference Form for Meal Modification* forms are attached to this letter. On the front of each form, there are further instructions and information about the meal modifications that can be requested under federal regulations. Please read this information carefully before completing the appropriate form.

To ensure safe meal modifications can be made for your child, return the completed medical statement by August 14, 2017 to Katie DuBois, R.D. at Lewis Palmer High School 1300 Higby Road, Monument, Co 80132.

IMPORTANT: The only fluid cow's milk substitutions allowed by USDA are: (1) lactose-free fluid cow's milk (1% or skim) or (2) a non-dairy beverage with a nutrient profile equivalent to fluid cow's milk as specified in USDA regulation 7 CFR 210.10(d)(3), unless another substitution is noted on the Medical Statement for Meal Modification. An example of a substitution for milk might be juice or water.

If you have questions or need assistance, please contact Katie DuBois at (719) 488-4726 or email Kdubois@lewispalmer.org

Sincerely,

Katie DuBois, R.D.
