Wednesday, April 12: 5:30-7:30 p.m. at Lewis-Palmer Elementary School

The Tri-Lakes community is invited to join Lewis-Palmer School District, RTA Architects, Western Demographics, and the LPSD Facilities Planning Committee at one of our community open houses. Scenarios addressing the Tri-Lakes area growth and its impact on schools will be presented. Attendees will be asked to provide feedback.

Tri-Lakes Area Growth

Last year, Lewis-Palmer School District contracted with RTA Architects to provide long-range facilities planning and consultation services in light of the significant growth in the Tri-Lakes area.

Facilities Planning Committee

A group of 20 parents, school administrators, teachers, and community members have met over the past few weeks and studied the results of RTA's and Western Demographics' physical assessment of LPSD buildings and demographic study. They considered multiple scenarios to address the area's growth impact on LPSD schools.
