

**Lewis-Palmer School District
School Facilities Planning Committee –
Open House Survey**

- 1. Do you have students in LPSD schools? Please let us know where your students attend so that we may understand the profile of participants that received the information. Thanks!**

Student	Grade	School of Attendance
1	_____	_____
2	_____	_____
3	_____	_____
4	_____	_____
5	_____	_____
Preschoolers?	Age?	

- 2. What is your role in the district?**

- a. Parent or Grandparent
- b. Student
- c. District Employee
- d. Community Member
- e. Other

- 3. In what part of the district do you reside?**

- a. Generally in the Palmer Lake area North and West of Monument and I-25
- b. Generally in the Monument area West of Monument
- c. The Woodmoor area North of Highway 105 (East of I-25)
- d. The Woodmoor Center / Jackson Creek area South of Hwy. 105 and North of Higby Rd. (East of I-25)
- e. The Jackson Creek area South of Higby Rd. (East of I-25)
- f. The Eastern Portion of the District East of Woodmoor / Jackson Creek, Along the Highway 83 Corridor and Further East into the Black Forest
- g. I reside outside of the district
- h. Other

- 4. How would you describe your thoughts on district growth?**

- a. I am very aware that the district is growing and new school facilities are needed
- b. I am aware that the district is growing and acknowledge schools are crowded
- c. I am aware of local growth but not convinced of school needs
- d. I am not aware of local growth or school needs
- e. I do not have adequate information to comment

- 5. How would you describe your grade configuration preference?**

- a. I believe either structure works
- b. I prefer the current **K-6 / 7-8 / 9-12** structure, but would understand if facility needs prompted a return to the former **K-5 / 6-8 / 9-12** structure
- c. I strongly prefer the current **K-6 / 7-8 / 9-12** structure
- d. I would prefer a **K-5 / 6-8 / 9-12** structure
- e. I would strongly prefer a **K-5 / 6-8 / 9-12** structure
- f. I do not have an opinion either way

6. How would you describe your thoughts on the location of the district's preschools?

- a. I prefer that preschool programs should be in individual schools if space is available
- b. I prefer that the district should locate preschools centrally if it is cost effective
- c. I prefer that a hybrid of the two models is desirable given circumstances
- d. I do not have an opinion on preschool

7. The district addresses school facility scenarios based on a variety of factors. Which of these is most important to you?

- a. Maximize the utilization of current facilities before constructing new facilities
- b. Consider future housing growth
- c. Consider the most cost-effective strategy given financial constraints
- d. Make decisions that are best for educational programs
- e. Consider the feeder school alignments
- f. Other

8. Which elementary school facility scenario do you favor?

- a. Scenario A
- b. Scenario B
- c. Scenario C
- d. Scenario D
- e. None of these
- f. I do not have enough information or I would like to propose a scenario of my own – (If you have a scenario of your own, please describe it on the back of your survey).

9. Which middle school facility scenario do you favor?

- a. Scenario A
- b. Scenario B
- c. Scenario C
- d. Scenario D
- e. None of these
- f. I do not have enough information or I would like to propose a scenario of my own – (If you have a scenario of your own, please describe it on the back of your survey).

10. Which high school facility scenario do you favor?

- a. Scenario A
- b. Scenario B
- c. Scenario C
- d. Scenario D
- e. None of these
- f. I do not have enough information or I would like to propose a scenario of my own – (If you have a scenario of your own, please describe it on the back of your survey).

11. To what extent did you review the material online describing the scenarios?

- a. I carefully reviewed the material
- b. I reviewed the material briefly
- c. I did not review the material
- d. Other or I prefer not to say
