Hello Parents of PRHS Seniors,

First of all, a **BIG THANK YOU** to *Maria Duran*, senior parent, who has volunteered to put the class of 2017 senior slideshow together to present at our PRHS graduation in May. She wants to get an early start this year. The first event, the Senior Sunrise is around the corner, as are many other wonderful, memory filled events. Please start sending your pictures as the year goes along. Due to limited time, all photos will not be used. Our goal is to include at least one photo of each senior. The email address for the slideshow is: prhs_parent@outlook.com. She will begin by adding your pictures to the slideshow right away. There are some rules:

- No baby or grade school photos
- No provocative pictures
- Only seniors from the Class of 2017 can be in the picture
- No Photo Studio logo/name can be on the picture
- Whenever possible, please email the names of the seniors along with the picture

We will be sending reminders throughout the year. Enjoy your seniors as they will be off on their new adventures soon. GO BEARS!!!
