---

Dear Future Bears:

First of all, I would like to welcome you to the Palmer Ridge High School family, a school with exciting academic and athletic programs. Representatives from our school will be visiting Lewis-Palmer Middle School on Tuesday, February 7<sup>th</sup> and Monument Charter Academy on Thursday, February 9<sup>th</sup> to discuss the process for registering for 2017-2018 classes. Registration for next year will occur for LPMS and MCA on Thursday, February 23, beginning promptly at 6:00 p.m. with a short presentation in the PRHS auditorium. This will be a great opportunity to learn about our school, meet with club/sports sponsors, in addition to registering your course selections for next year. Tours of our building will also be available courtesy of our LINK crew members. Please be aware that students will be inputting their class selections in on this evening. The class selections are all placed in a database and once counselors begin working on the master schedule for next year, then at that time classes will be assigned. Students won't be able to upload their class schedules until mid-August. Continue to monitor our school website at [www.lewispalmer.org/prhs](http://www.lewispalmer.org/prhs), PRHS Announcements tab, Class of 2021 for the most current information.

If you have questions about open enrollment, please call Jim Taylor, the district registrar, at 488-4700. He will assist you with any questions.

You are part of a great district and it's important to get a good start on this next stage. Please feel free to contact me, as well, if I can be of further assistance.

Sincerely,

Gary Gabel  
Principal
