

PRE-CALCULUS**Course Acknowledgement*****due Friday, January 10, 2020***

Dear Parent/Guardian,

Should I need to contact you for any reason, I will do so via e-mail unless you would prefer a phone call. If that is the case, please write the phone number you would like me to use in the “comments” section below.

Please read and sign the statement below after reading the class syllabus and Math Department policies, both of which are posted on the school website: lewispalmer.org/prhs

In the space below, please share any information I need to know about your student to help him/her be more successful in Pre-Calculus. (Seating preferences, vision, hearing, or any other health concerns, learning difficulties and strengths, medical needs, etc.) All information will be kept confidential. **ALSO**, please share some special qualities about your student and at least ONE thing or more that you are especially proud of!

Thank you very much for your time and support,

Leah Phillips

Parent/Student:

I have read and understand the Pre-Calculus Syllabus and Math Department Policies letter.
