**DLI Week 21** - QUIZ Thursday, March 7th

**Reading Plus** - First two-week average will be taken Friday, March 8th with a **minimum** of 7 stories completed to avoid point penalty.

**Time For Kids** - Civil Engineers Careers QUIZ Thursday, March 6th

Due to being ill last week and a snow day this week, we're off to a slow start this 3rd trimester but picking up steam as we go along! In the Google Classroom, students will continue to receive instruction on their new writing assignments. This will be a step-by-step instructional process for our narrative writing unit, with all final drafts due March 20th.
