  - Continuation Lifetouch Pictures
- April 12
  - Continuation Parent Meeting 3:45-4:15

*Ms. O'Sullivan - ELA*

With testing taking place school-wide, we will not have access to our laptops this week or next. As a result, students will not be doing any "regularly scheduled programming" including Reading Plus and DLI. We will still be reading the weekly TIME for Kids magazine but they will not be tested on it during these next two weeks. Also because of testing and shorter class periods, we will be mixing things up and working on design and descriptive writing for *fun* with our Extraordinaires. Your child can tell you all about these strange characters mid-week.

### Ms. Maddox - ALL CLASSES

M- Pencil Rise Word Problem (Due %)

T- Gallery Walk/Chat Session Review

W - Gallery Walk/Chat Session Review

Th - Gallery Walk/Chat Session Review

F- Gallery Walk/Chat Session Review

**What is a Gallery Walk/Chat Session?** It is where groups walk around the room and work through CMAS type questions and then discuss their thinking and problem solving process. Students will also answer reflection questions
