- May 23
 - 6th Grade Continuation Ceremony
- May 24
 - Last Day of School

Ms. O'Sullivan - ELLA

Hooray, 6th grade has wrapped up our CMAS assessments! However, since 4th and 5th take Social Studies and Science, we are laptop-less for one more week. To the chagrin of many students, we will have to delay Reading Plus one more week. ;)

We *are* reading the weekly TIME for Kids magazine and they *will* have a test on it Thursday, as well as DLI. Friday the students will have their last NWEA Measure of Academic Progress for Language Usage.

TIME for Kids- 4/18

DLI Week 23- 4/18

Ms. Maddox - Period 1

M- Titanic Math
 T- Multi-Step Equations
 W-Integer Insanity
