Ms. O'Sullivan - ELLA

With a short intermission last week to read about the upcoming 50th anniversary of the moon landing, we pick back up this week with more Leonardo da Vinci! Also, this week is the second/last week of Reading Plus that will count towards students' report card grades. Additionally, if families are interested, there is an exceptional daVinci exhibit at the Denver museum through August. A few students have already spoken of how good it is!

Reading Plus Final average taken on 5/10 (9 stories for the two-weeks)
Last TIME for Kids quiz- 5/10
Last DLI quiz - 5/10

Ms. Maddox - Period 1 PA = Pre Algebra
