

December 4, 2018

Dear Parents and Guardians,

Ms. Magerko and I welcome you to Brain Bowl!

Brain Bowl is an academic competition where teams are pitted against each other answering trivia-style questions to get the most points.

Prior to the district competition on February 2nd, students will practice with us on Tuesdays from 2:40-3:30.

Unfortunately, we cannot guarantee that all students will make the district team, so it is important that your child make practices and keeps up with current events at home. Please encourage your student to watch the news and take a look at this website weekly to prepare, New York Times Weekly News Quiz for Students.

The district competition will be held at Challenger Middle School, 10215 Lexington Dr, Colorado Springs, CO 80920. Parents will be responsible for getting their child to/ from the competition.

In addition, we have been invited to a practice competition in Woodland Park in January. As of right now, we do not have a date for that, but we will let you know as soon as possible. Then, we can decide if we would like to attend. Again, we will need parents to drive their students to/ from that practice competition.

We will be using Remind.com to message announcements to students and parents. If you would like to sign up, please follow the instructions on the back of this letter.

Thank you for encouraging and supporting your child in Brain Bowl.

Feel free to email us if you have any questions.

Sincerely,

Maureen Lockette
